## Brown's Music Store

COOKEVILLE, TENN.

Established in 1896 and Owned Exclusively by FELIX A. BROWN

We save you the Agents' Commission, Etc., or one-third of the price, on PIANOS, ORGANS, TALKING MACHINES, GUITARS, FIDDLES, MANDOLINS, BANJOS, ACCORDIONS, MUSIC BOXES, MUSIC BOOKS, STRINGS, SHEET MUSIC, SEWING MACHINES, SUPPLIES

We have the Goods, the Prices and the Terms; also most of the Business

However, it is strange to say but it seems to be true that some of the American people are not convinced until they are humbugged by strangers, rather than to patronize a home man, who will give you a Piano, Organ or Sewing Machine if you will find a retail or wholesale house that will undersell Brown's Music Store.

No factory stands higher than the W. W. Kimball Co., at Chicago, whose factory and output is more than double that of any other in the world. And no factory stands higher than the New Home Co., at St. Louis, for machines.

I buy at these factories and no one buys for less money than I do, as I pay cash and save the discounts. While I have other brands that are cheaper, I will give you over three years to pay for a piano; other goods in proportion; and I sell without security. Your name on a note is all I ask.

Most all of the high schools and churches use the Kimball goods. Belmont College, Nashville, one of the biggest schools in the south, uses the Kimball exclusively. They have fifty-five Kimball pianos and over twelve thousand dollars' worth of pipe organs, after using other brands, as well as the Kimball for many years. They have cut them all out for the Kimball. The Starr Piano Co., or Jesse French Co., as well as the O. K. Houck Co., are trying to make the people believe their goods are used in Belmont College, but this is misleading. There is not one of them in the school now, but has been. They stand discarded. Why? Because they are not the best. If this does not convince you our goods are best, just buy something else and later on we will sell you a Kimball Piano or Organ. We are your best friend for music and will sell you for one-half the price that some agents ask you. Get wise before you spend your money.

We are in a large brick house on the square, next door to the Cookeville Bank. It is worth more to you than anybody else, if you buy of us. We have sold over three thousand dollars' worth in 30 days.

Thanking you for past patronage and soliciting your future trade and influence, I am truly your best friend for music.

FELIX A. BROWN

### HOW TO RESIST

#### Chronic Coughs and Colds.

Strong, vigorous men and women hardly ever catch cold; it's only when the system is run down and vitality low that colds and coughs get a foothold.

Now isn't it reasonable that the right way to cure a cough is to build up your strength again?

Mrs. Olivia Parham, of East Durham, N. C., says: "I took Vinol for a chronic cough which had lasted two years, and the cough not only disappeared, but it built up my strength as well."

The reason Vinol is so efficacious in such cases is because it contains in a delicious concentrated form all the medicinal curative elements of cod liver oil, with tonic, blood-building iron added.

Chronic coughs and colds yield to Vinol because it builds up the weakened, run-down system.

You can get your money back any time if Vinol does not do all we say. 2 T. Hinds, Druggist, Cookeville, Tenn.

Rev. John T. Price preached his farewell sermon to Cookeville people last Sunday night at the First Presbyterian Church. A large congregation was present and Bro. Price as usual preached an exceedingly good sermon. He preached from the story of Jacob as he was leaving his father's home. He advised parents to look more after their children and the young people he advised to first seek the Kingdom of God. Cookeville cannot well afford to lose such a man as Bro. Price, but our loss is the other town's gain.
